

QUALITY POLICY STATEMENT

Issue 4

It is the policy of A.E. Oscroft & Sons Ltd. to provide its customers with a high quality product and service to meet contractual specifications and requirements. Where applicable the requirements of National and International Standards, including ISO 9001:2015, IATF 16949:2016 and ISO 14001:2015, will be adhered to and the Company will strive to continually improve on those requirements.

The Companies goal is to obtain zero defects throughout its customer base and will implement measurable control over all processes to ensure that this goal is achieved, with the help of its key asset, its employees.

It is the policy of the company to ensure that all processes are executed throughout in a manner, which sets and maintains a level of quality and service consistent with the requirements and expectations of the customers. The company intends to provide this control by a consistent reduction in the level of non-conformances. This will be achieved by applying effective corrective and preventive actions.

Implementation of the Quality Policy is the responsibility of every employee, starting with the Directors who take the policy decisions which enable the correct action to be implemented throughout the company. The Management Team is responsible for maintaining the implementation of the Quality Policy.

A.E.Oscroft's Management System is composed of documents, which describe in an appropriate level of detail, the policies, procedures and operating practices to be followed.

Familiarity with the Quality Policy and Management System is the responsibility of each member of staff, and the detailed procedures and practices which are applicable to their area of work within the company.

A copy of this Quality Policy Statement is available to all employees of the company.
